
This is YOUR site - let us know what you want

Posted by tabrentals - 2007/03/28 07:57

We have a lot of fun new features in the works, such as this forum and an image gallery.

Let me know what else we should add, improve or even discard to make this the best balloon business website around.:cheer:

:unsure: The layout of the page needs some work in my opinion. Having to scroll, scroll, scroll gets old really fast. I love where you are headed with this site and hope it gets going really well.
